

### QUALITY POLICY

M Fitzgibbon Contractors Ltd philosophy is to establish implement maintain and improve our quality policy that is appropriate to the context of our organisation and supports its strategic direction. To this end we endeavour to work as a team in a spirit of co-operation with the client and their professional representatives.

M Fitzgibbon Contractors Ltd is committed to:

- o Continually improvement of the quality management system
- o Meeting relevant customers goals, needs and other applicable requirements
- o Setting quality objectives
- o Committed to compliance with current applicable Legislation and other compliance requirements, and a process of continual improvement and customer satisfaction and confidence .

The policy is available to all our employees and is on display at public locations in our offices throughout our sites.

We ensure that the policy is understood by all our employees through on going communication.

The policy shall be reviewed for continued relevance at management review meetings and amended if the organisational goals, regulatory requirement or customers expectations change.

The intention is to continually improve our quality performance through the use of a documented management system.

Michael Fitzgibbon

Director
